Beware the Governors

Whether entered in an athletic event, a speech meet, a band contest, or an academic test, when the Governors take the field, others sit up and take notice. The Governors have come to win and they will settle for nothing less than "taking all."

Aside from the outstanding abilities of Morton students, Governors practice good sportsmanship and have fine competitive attitudes, which make them even tougher to defeat.

Governors work hard toward their established goals, but they have time for fun, and they enjoy themselves. They believe that work and fun can be mixed to produce good all-around students.

Therefore, in an effort to show how Governors excel in all fields and will continue to succeed in all that they endeavor, we bring you the 1960 TOP HAT.

STUDENTS SELECTED by the Morton faculty to attend Boys' and Girls' States are Gary Werskey, John Bailor, Dave Byrne, Jim Palmer, Linda Nolan, and Mable Carrico. Because of other engagements, Gary Werskey and Dave Byrne will not be able to attend and will be replaced by Allen Zwinklis and Alan Smulevitz.

LOOKING OVER last year's All-American and Medalist awards, Business Manager Sheila Virag, Assistant Editor Barbara Horvath, Photo Editor Ken O'Neal, and Editor Jim Kackley hope that the 1960 TOP HAT will do as well as the '59.

MORTON HIGH SCHOOL'S state champion concert band finishes another successful concert under the baton of Associate Director Glenda Benjamin.

Through Ability and Hard Work

CHOSEN AS FINALISTS in 1960 by the National Merit Scholarship Corporation because of high test scores were these four seniors, George Bradburn, Richard Nischan, Jim Hayden, and Jim Kackley. They were then judged on the basis of high school record, extra-curricular activities, and financial need for scholarships to colleges of their choice.

Morton High School has many outstanding organizations, but the five groups pictured on these pages represent the tops in Morton activities. These students are continually working to better themselves and make themselves known as well as to put Morton High School "on the map."

Governors' abilities coupled with their constant effort are what make them such outstanding students and such fine representatives of our school. "Excellence in all we attempt" is the Governors' credo and goal.

The debate team, the concert band, the TOP HAT staff, the Girls' and Boys' State representatives, and the Merit Finalists are all examples of whose footsteps we hope all Morton students can follow.

MORTON'S OUTSTANDING DEBATE TEAM. Sheila Virag and Gary Werskey, which placed third in the nation in 1959 here checks a point in question while sponsor Mr. Ellis Hays looks on.

Classes

Eager Governors Await the

As a new day is about to begin, it is not uncommon to view locker cramming and last-minute bookstore excursions by students before rushing to their first hour classes.

EACH NEW DAY OFFERS opportunities for advancement in our competitive world.

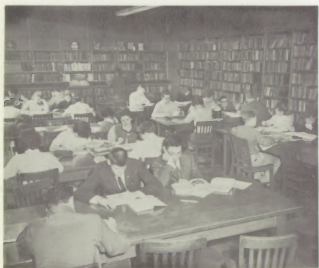

THE RUSH IS ON! Enthusiastic "Governors" race to achieve their individual goals.

SHARON MIERAS demonstrates her technique of locker cramming to Dave Moss and Richard Pollard.

Beginning of a New Day

TEACHERS AND STUDENTS keep the office personnel "hopping" by giving them such tasks as issuing admits, lending locker keys, and returning lost articles.

THE FREE TIME of many students is spent in the library studying and doing research.

WHAT LUCK! No long line for John Theiling and Carol Ann Socks to stand in before purchasing class supplies from Shirley Yarusinsky.

Guidance and Study Join

A major step is taken by every student as he advances from the primary grades to junior high, then to high school, and finally to college.

All during these advances, many people have been concerned with molding his character for the future.

Although he has now received his preparatory education and is ready to advance to higher learning, he is still in need of correct planning and guidance by qualified college counselors to help him in his future pursuits and ambitions.

FRESHMAN COUNSELOR, Miss Justus, converses with John Barbara about his class schedule for his sophomore year.

BENEFICIAL information is being learned by Steve Beison and Marilyn Swalick as they observe the advantages of Grinnell College at the annual "College Night."

to Promote Education

Counseling, the first major step toward learning, is followed by the second major step, study.

Study is the root of all learning and is needed to practice the problems that arise from the acquaintance with new material. Study is also needed to keep gained information for future use and reference.

THE SPIRIT OF CHRISTMAS combined with monitor duties makes concentration on government difficult for Wendy Gasper.

HOMEWORK IS EASY when you have time. Every student is scheduled for at least one study hall a day to help him accomplish his work.

Closer Ties Are Gained

THE GETTYSBURG ADDRESS is explained to American Literature students Perry Hatfield, Karen Reynolds, Camille Vieland, and Bob Daniels by their instructor, Miss Hunter.

The year 1960 will linger as an eventful one, for it was the birth date of a new literary publication to Morton entitled the Inkwell.

The Inkwell is an anthology magazine composed of poems, stories, and other material written by students in all grade levels of high school. The pupil's works were submitted by their English instructors and then analyzed and compiled by a panel of senior composition students and their advisor, Mrs. Kelly.

A new feature was also added in the speech department. The advanced speech students learned to draw-up legislative bills, debate them, and then vote on them.

AN EXPRESSION OF ANGUISH is shown on Eddie Baker's face as he speaks to his attentive classmates on "The Big Parade."

PARTICIPATING IN AN INFORMAL discussion with Mrs. N. Kelly about the anthology are—STANDING: Barbara Horvath, Marianne Ziornik, Barbara McAnally; SITTING: Dennis Doughty, Nancy Parkovich, Richard Nischan, June Cerneviski.

Through Language Study

German was offered for the first time this year. The new class was open to all students interested in studying the German language.

To acquaint the students with the language, films were shown to characterize the people, their customs, and their country.

The students were rewarded for their intense study of the German vocabulary, pronunciation, and grammatical constructions by reading Grimms Fairy Tales in German.

MRS. STARBUCK HELPS Stuart Lewin with the grammatical pronunciation of *ubermonan*.

SENIOR PAT SMITH grins shyly as her recitation is corrected by Mrs. Starbuck and Jerry Hutsler.

Latin, Spanish Bring Enjoyment

ADMIRING A NEWS ARTICLE about our student Spanish teachers are Dave Kapetanovic, Gloria Osmon, Tom Phares.

STUDENT SPANISH TEACHERS Marilyn Swalick and Bonnis Belaskas examine a Mexican sarape.

For the first time, elementary and junior high pupils were able to get a glimpse of a high school language course through the aid of student Spanish teachers.

Under the direction and guidance of Mrs. Nelson, the student teachers were briefed on how to instruct their pupils in the language and customs of Spanish speaking people.

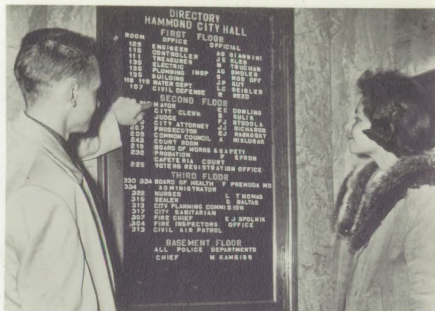

The language of Latin is still highly popular. Students learned the basic fundamentals of the language and also studied Caesar.

MR. RUFF HOLDS the cards as Ella Rae Crom picks the next "victim" to recite his Latin lesson.

Social Studies Aid Understanding

USING HIS KNOWLEDGE of city government, Ron Bond points out the highest official to Karla Krughoff.

MR. NEWKIRK EXPLAINS to freshmen Jack Feldt and Jack Zitko that it no longer takes eighty days to go around the world.

Freshmen are introduced to social studies through geography. Geography informs students of the use of several different kinds of maps as well as the globe. It also teaches them the basic principles of topography.

Government and economics prepare seniors for their future responsibilities as good citizens by teaching them the workings of the national and state governments. Government and economics also prepare the pupils for their role in keeping a stable economy.

Elements of Progress

Our modern fast-moving world is dominated by science. Scientific experiments are needed to cope with the many changes that take place.

Our science department acquaints students with some of the methods needed to make such changes.

Here at Morton three main sciences are offered as well as a supplementary science. They are chemistry, physics, biology, and health and safety.

Chemistry is the study of chemical elements and their uses. It is usually taken by seniors either as a requirement for their future pursuits or for satisfying their curiosity of chemical substances.

THAT ANYTHING can happen in chemistry class is proved by Frank Sikich, June Cernevski, and Connie Hatfield in their experiment with dry ice.

THE ESSENCE of a vacuum pump is demonstrated by Mr. Carne to physics students Leonard Bissa, Lucian Heacox, Bill Anderson.

Nature Offer With Research

Physics is open to all students who have had at least two years of mathematics. Among the several phases of physics that are studied are light, radioactivity, weight and density, sound, and electricity.

Biology has no specific requirements and is usually taken by most students as their only or first science. The science consists of the physical study of plants, animals, and human beings.

Health and safety is the supplemental science offered. Every student is required to take the course in order to learn the basic fundamentals of hygiene and personal safety.

HECTOR NEVER COMPLAINS when health and safety students use him to view the human body. Mr. Stout demonstrates the lungs to Gary Hewlett, Marilyn Plesek.

EXPERIMENTING with Plant life is essential in biology. John Campbell explains a Cholea as Gentry Vintilla takes notes and Marianne Zlotnik listens.

Commercial Arts Expand

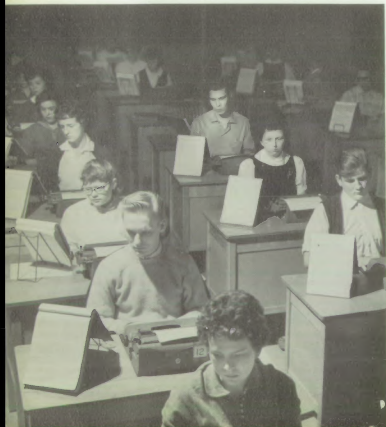

Because our commercial arts department is growing, students studying the general and commercial courses can select from wide and varied areas for business maintenance and management.

Some courses like typing and salesmanship train students to further their personal skills and techniques as well as teach them skillful business methods.

Other courses including clerical practice, shorthand, and business management are primarily designed to educate students for the business world.

SALESWOMAN ADA NEAL convinces Bill Henderson that the Royal typewriter is "just his type."

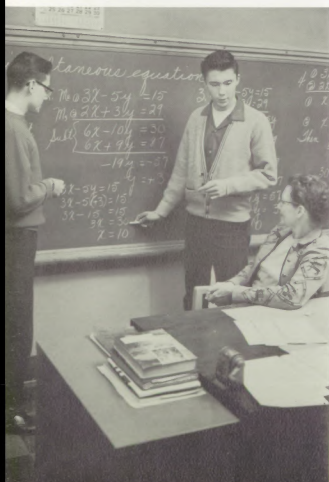

**CLICKING TYPE-

Math Develops Reasoning

MISS GROVES DIRECTS as Don Knieriemann informs Carole Moats on how to divide a globe into sections in solid geometry.

Mathematics helps to develop a person's power of reasoning. Among the mathematics courses offered to Morton students are beginning algebra, plane geometry, advanced algebra, trigonometry, commercial math, and general math.

Beginning algebra is offered to freshmen. Advanced algebra is taken by students who have had two years of higher math. Both prepare the student for a form of geometry. Plane and advanced geometry as well as trigonometry prepare a student for future mathematics courses.

AN ALGEBRA EQUATION is interpreted for their teacher Mrs. L. Bonebrake by Eddie Baker and Rick Fultz.

Fine Arts Bring Culture

DISPLAYING THEIR OWN INTERPRETATIONS of modern dance are Janet Gesmond, Sharon Buckmaster, Tami Rogowski, Bridget Cerneviski, Flo Klem.

Appreciation of the fine arts of music, art, and dance is gained by intellectual and constant training.

Modern dance was offered for the first time this year enabling students to express their emotions through interpretive movements.

Music students can also express their feelings. Interpretations of melodious composition help to build the student's appreciation for music.

Using the process of silk-screening for creating unusual Christmas cards, the art students can also express their feelings.

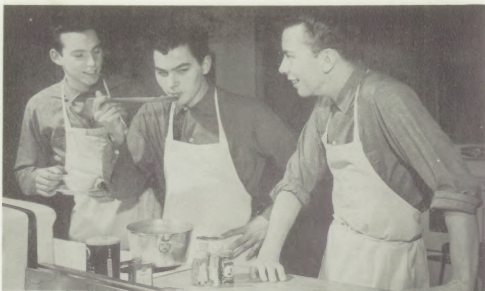

FULL CONCENTRATION IS NEEDED to master a musical instrument. Paul Stivers listens attentively to Mr. Melton's explanation.

THE ASSEMBLY LINE METHOD is used by Walter Klaubo and Mel Rambo to produce silk-screened Christmas cards.

Students Learn Home Arts

"TOO MANY COOKS SPOIL THE BROTH," but it takes Dick Brooke, Jim Mahan and Bob Morris to prove the statement false in boys' foods class.

Knowing how to manage and cope with the problems that arise in a household is essential for everyone. Here at Morton the courses of home management, home nursing, foods, and clothing are designed to help inform and guide students in managing their households.

Foods is offered both to girls and senior boys. Students not only learn how to prepare food, but also learn the basic nutrients that a correct diet contains.

Clothing is offered to girls of all ages. It is highlighted by a study of clothes designing and fabric choice.

Home management teaches students budgeting. Home nursing teaches the care of home and family.

IN GIRLS' CLOTHING, Peggy Bevan can be sure that her coat will be straight, as soon as Judy Cotterell tacks her hem.

Practical Arts Prepare Students for Vocations

ENGROSSED in Mr. Concialdi's drawing are Barbara McAnally, Bob Thomas, David Crabbs, Rich Kozdras.

Our industrial area is always in need of skilled workers. Morton's curriculum offers preparatory industrial training to those students interested in becoming skilled in an industrial occupation.

Courses offered for industrial use are wood shop, beginning mechanical drawing, and advanced mechanical drawing.

MR. FRASER DIRECTS Denis Hepp in the drilling of a two-by-four as Tom Conley reinforces the board.

Rejoicing Heard at 3:40

The last hour of the day goes slowly for most students who eagerly anticipate after school fun, but when 3:40 arrives the halls are a beehive of activity.

After school, many students can be found "shagging over" to their favorite spot for an afternoon snack and the latest gossip.

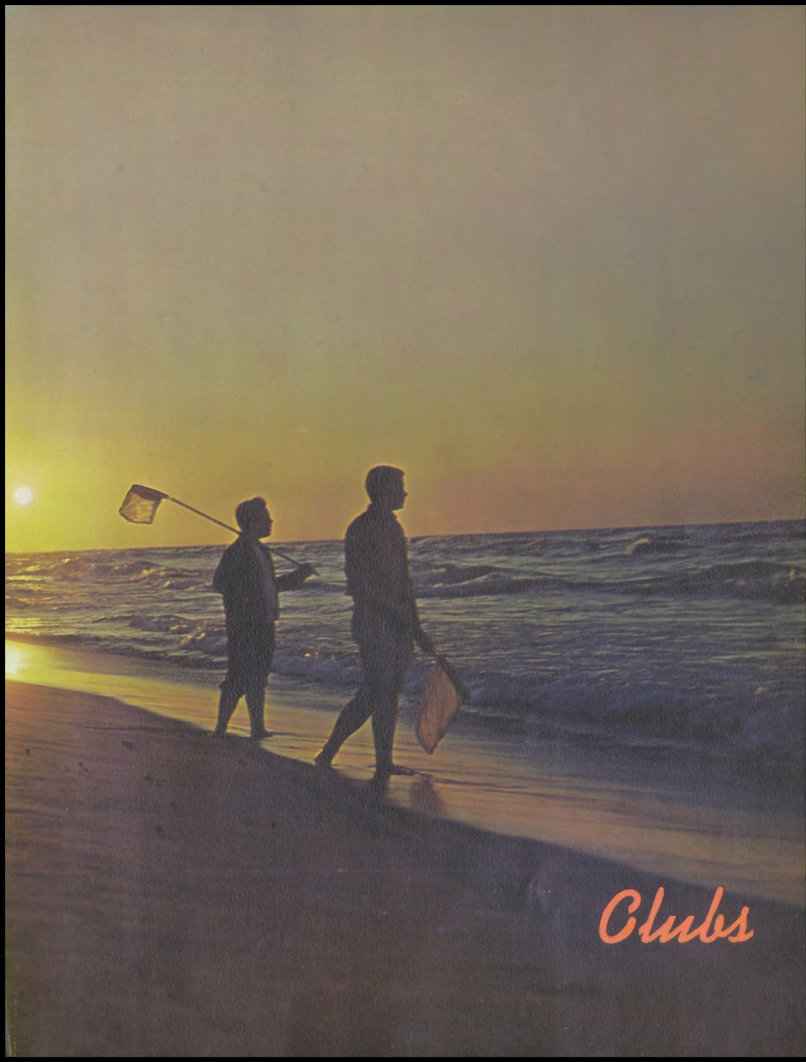

STUDENTS RUSH OUT at the end of seventh hour for various destinations.

AFTER A HARD DAY'S WORK, students enjoy relaxing at their favorite "hangout".

For Betterment of School

Domestic and foreign affairs of Morton High School are often handled by the student government. President David Wollin and his cabinet were the wheels moving the machine. Congress, representing classes and homerooms, assumed several new undertakings. "Presidents' Hall" was one of the most prominent projects. A plaque will introduce M.H.S.'s past Student Association Presidents. This display will be in one of the corridors.

One-way stairs to avoid congestion during rush hours, monitor badges to identify student hall guards, an initiative, referendum, and recall bill to give students more opportunity for participation in government, and the continuance of service and betterment of community and school are other projects which have materialized because of efforts of student government workers.

The student center remains the main object of the Association's attention. New furniture, a front sign, and a Pepsi machine have been purchased to improve both appearance and comfort of the recreation center. Games, magazines, and dancing and studying facilities make it one of the most popular lunch time meeting places.

1960 SENATORS are — TOP ROW: Juniors John Bailor, Steve Beison, Jim Palmer; SECOND ROW: Sophomores Terry Collins, Bill Banas; THIRD ROW: Freshmen Ted Poulton, Eddie Baker; BOTTOM ROW: Seniors Marcia Cook, Karla Krughoff, June Spear.

THE JUDICIAL DEPARTMENT of Morton's government tries violators of school rules. Members of the court include Freshman Judge Brady Doughty, Asst. Recorder Carol Fox, Junior Judge Steve Beison, Baliff Jim Boland, Chief Justice Jim Stivers, Recorder Nancy Feldt, Senior Judge Richard Florence, Sophomore Judge Ron Bocken.

STUDENT COURT MEMBERS are busy people even before school hours begin. Trials are held and fines are collected. Jim Boland performs his duty as court baliff collecting a set-locker fine from Carol Ann Socks.

Excellent Concert Band

Starting on the left foot, the Morton High School Band began the school year by performing at all home football games.

In November they transformed into a concert band and made preparations for their first concert.

Many of the Morton bandsmen competed in the District Instrumental Contest in February. Winners were able to compete in the State Instrumental Contest held at Butler University in Indianapolis. Among the state winners were the flute trio composed of Gloria Osman, Paul

Stivers, and Eddie Baker; a clarinet quartet made up of Marie Melton, Helen Shoemaker, Carol Fleischer, and Joyce Stevens; and a saxophone sextet including Carol Ann Socks, John McAleer, Sandy Chappey, Yvonne Keller, John Sikich, and Bob Daniels.

The Morton Band also performed in two school concerts, the All-City Instrumental Music Festival, Loyalty and Memorial Day Parades, and the Riverview Mardi Gras and received an "Excellent" rating in the State Band Contest.

MEMBERS OF THE 1960 BAND ARE —TOP ROW: Directors Miss G. Benjamin, Mr. J. Melton; SECOND ROW: D. Elswick, B. Morris, K. Owen, L. Evanatz, J. Bline, G. Baldwin, J. Skelton, J. Kackley, F. Yates, A. Witte, L. Gillim, D. Matusiak, S. Evacko, B. Evans, V. Arnold, S. McGee,

"Everybody Yell Now

VARSITY CHEERLEADERS Judy Kominiak, Alice Forsberg, Marilyn Swalick, and Sandy Capalby attended almost every game to lead the cheering blocks.

Spirit, prevailing in all MHS cheering blocks, was built up by cheerleaders. Morton's varsity cheerleaders incited the pre-school pep-rallying. They also organized several pep sessions, helped with the homecoming festivities, arranged the sectional cheering block, and solicited funds from Hessville-Woodmar merchants for shakers and other cheering props.

THE MHS B-TEAMS were greeted with enthusiastic cheers led by Michele Polochak, Karen Clark, Diane Tomlinson, and Kay Hemingway.

FRESHMAN CHEERLEADERS for '59-'60 were Dixie Steele, Marge Moorehead, Janet Fines, Cathy Fausset, and Carol Polochak.

Governors, Governors"

SANDY CAPALBY, President of Booster Club, smiles her approval of club officers who helped to organize and to direct activities of MHS yellers. **BACK ROW:** June Spear, Greg Brockman; **SECOND ROW:** Bob Russell, Sally Aageberg, Judy Kominiak, Mary Bolen; **THIRD ROW:** Bob Morris, Vice Pres. Sandy Neal, Treas. Diane Kirkland, Sec. Alice Forsberg; **BOTTOM ROW:** Pres. Sandy Capalby, and sponsors Mrs. D. Sodeberg and Mr. D. Woolls.

Booster Club

In co-operation with the cheerleaders, MHS Booster Club members organize activities to support the various athletic teams. The club directs the cheering block; provides shakers, clap blocks, and megaphones; sponsors buses to out-of-town games; and puts an all-out effort to back our teams with good sportsmanship and lively spirit.

BOOSTER BUSES took these team backers to Benton Harbor, Michigan and to South Bend, Rensselaer, and Hobart, Indiana. Arriving with sore throats and full tummies, these boosters cheered their team on to victories.

For 60's

The Morton Governors opened the '59 season with a 7-6 loss to the Clark Pioneers. Having a little experience under their belts, the Governors played Tech, only to lose 12-7. With a 0-2 record, the team went to Fort Wayne, losing to a powerful South team 14-7. The Governors returned home the following week hoping to break into the win column. Playing a rough Whiting outfit the team lost 25-6. Then if things weren't bad enough, the Governors lost a heart-breaker to Bishop Noll 13-7. With an 0-5 record, the Governors ran into the team rated second in Indiana, E. C. Roosevelt; the Riders beat them 28-0 for the Governors second decisive loss of the year. Against Renesselaer, the Governors lost another one by one touchdown, 20-13. The fighting Governors ended the 1959 football season with a 13-0 loss to their city rivals, the Hammond High Wildcats.

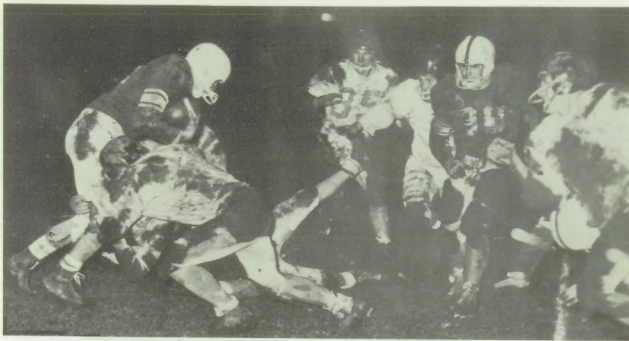

A FORT WAYNE SOUTH player comes up to tackle halfback Richard Florence after big gain. Many thrilling plays like this high-lighted the roughly fought contest, won by South Side's Archers 14-7.

1959 VARSITY FOOTBALL TEAM — TOP ROW: Don Sharp, Ray Price, Mr. Luketic, Jerry Oiler, Jim Perdew, Jim Stahura, Richard Gardner, Ed Dedelow, Wayne Lee, Norman Houser, Al Whiting, Adolph Sabik, Ron Suchanuk, Ken Salyers, Jim Pressnell, Ray Arvey, George Berbeco, Dave Byrne, and Gene Sankowski. Hard-Driving Gridders Fight

MUD-RIDDED GOVERNOR RICH FLORENCE (15) tackles a Hammond High Wildcat as Richard Gardner (35) runs to assist. Both fans and players had to suffer, since the game was played in cold weather and on a muddy Hammond High field.

QUARTERBACK DUANE HICKS (1) drives for yardage against Fort Wayne South as Dave Teegarden (52) and Ted White (18) come to assist.

For Victory

The Morton football team played some of the well-known football powers in the state. This year they played such outstanding teams as E. C. Roosevelt, Hammond High, Fort Wayne South, and Whiting. Many times during the season the Governors came within a touchdown of winning their first game. This team played with all of their ability and deserved the thrill of victory. If the spirit of Morton football players stay as high as it was this year, and the B-team (4-1) and Freshmen (6-1) come through, the loyal supporters of Morton will be rewarded with winning teams in the future.

HAMMOND HIGH PLAYERS SCAMPER to avoid on-rushing Ted White. Ted White led the Governor line as the highly-ranked Wildcats beat the Governors 13-0.

LOYAL MORTON BACKERS come alive as the Governors vie for victory against Bishop Noll. The Governors played one of their best games during the season, only to lose 13-7 against the Warriors.

Girls' Show Sportsmanship

LOIS WELLS, GEORJEAN PUMNEA, and JUDY LAMBERT admire the State plaque which they won for earning points in G.A.A.

The girls in G.A.A. participate every Wednesday after school in a sport. The activity lasts seven weeks and includes bowling, basketball, volleyball, tumbling, soft-ball and other individual sports.

To be eligible for the State Award, the girls must earn 350 points and have passed tests over five different sports. Girls earning 150 points receive a felt letter. Girls earning over 250 points receive a chenille letter.

G.A.A. sponsors the girls' homeroom basketball tournament and gives a trophy to the winner. After the homeroom tournament a game is played between the women teachers and representatives from the senior homerooms.

MIXED EXPRESSIONS are seen on the faces of G.A.A. members as they build a pyramid.

In Athletics

IT IS ROUGH GOING for Georjean Pumnea as Barbara Horvath swoops in for the ball. This action took place in a first round game of the Girl's Homeroom Basketball Tourney.

BETTY PETO LOOKS for teammate to pass to as she is closely guarded by Neena Hayworth and Edwina Grcevic.

TEAMMATES GAZE in awe as Edwina Grcevic and Darlene Miller struggle for the ball. The 12A2's defeated the 12B2's, 49-38, for the championship.

Grapplers Pin 7-7 Season

1960 WRESTLING SQUAD — TOP ROW: Coach Collner, Tom Wilson, Bill Dedelow, Rich Gardner, Dave Teegarden, Bill Price, manager; SECOND ROW: Les Barro, Don Butler, Dick Weiss, Mike Bradburn, Dennis Brant, Don Lohse, Bob Rosinski, manager; BOTTOM ROW: Terry Smith, Jay Hemingway, Tony Grcevic, Russ Boyle, Joe Martin, Ed Norris, Frank White, Bob Zerby.

The second year of wrestling at Morton ended with the team having a respectable 7-7 season. The Governor grapplers opened the season with a loss to Tech's sectional champions but bounced back to win three of the next six. Although they lost their

next two meets to Hammond High and Hammond Clark, they ended the season by beating Merrillville. The B-team wrestlers beat Gary Horace Mann Varsity and East Chicago Roosevelt B-team twice, before losing their last match to the same Roosevelt Rough Riders.

Activities

Association Supervises

Morton's student government, the Student Association, performs various services for the school and the students. It is in charge of the student center and supervises the elections. Each homeroom selects a student to represent it in Congress. Two Senators are selected from each class.

The Association has made progress this year toward Presidents' Hall, a gallery of pictures of former Association presidents. Work has also been begun to initiate a system of referendum and recall into the Association.

DAVID WOLLIN is sworn in as Association President by Mr. Clark at the inauguration assembly.

ASSOCIATION PRESIDENT David Wollin and Michele Polochak, first lady of the Inauguration Ball, welcome Jim Stivers and Karla Krughoff to the annual dance sponsored by the Association.

Elections, Student Center

STUDENT ELECTIONS ARE supervised by the Association. Ballots are used in most elections, but the voting machine is used when students vote for the Association president.

RESPONSIBLE FOR THE student center are the center hosts and hostesses — **FRONT ROW:** Alice Takas, Ruth Walker, Darlene Miller, Katherine Thompson, Helen Shoemaker, Karla Krughoff, Sue Thornton, Janice Smith, **SECOND ROW:** Jerry Brant, Duane Hicks, Sheila Carlson, Carol Friend, Karen Clark, Georjean Punnea, Ron Bocken. **TOP ROW:** John Thieling, Bruce Kitchell, Rich Gardner, Rich Pollard, Don Knieriemen, Joe Krol, Allen Zwinklis.

STUDENTS DANCING in the student center is a familiar sight. Games and magazines are supplied for the enjoyment of the students. The student center is also a fine place to study.

Students Visit National Capital

Rain was the only thing that dampened the spirits of the 182 juniors and seniors from Hammond who took the annual trip to Washington, D.C.

Williamsburg, Jamestown, Annapolis, Shenandoah National Park, and the Luray Caverns were a few of the extra features viewed outside of Washington.

In the capital itself, the students turned back the clock and relived the steps of Washington at Mount Vernon and Jefferson at Monticello.

The day for departure came too soon and with it the first rays of sunshine. Students that went felt that touring historical Washington was a rare and enjoyable privilege.

A NEGRO SERVANT of the Governor's Palace in Williamsburg shows an antique coffee maker to Leslie McDonald, Carol Fox, and Donna McGinnis.

AS A LASTING MEMORY, pictures were taken of the Lee Mansion, where a beautiful view of Washington D.C., could be seen.

Student Activities Are Many

FINANCING MORTON'S CLUBS and organizations is a large and difficult job. Bake sales are one way by which a club may earn money. Sue Walsh sells baked goods for the Forensic Club.

THE SCIENCE FAIR brought many interesting projects to Morton High School. Paul Jackson and Vernon Arnold observe the effect of electric stimulus upon the learning process of an albino rat.

FORMER WINNERS of the American Legion Scholarship Award presented to graduating eighth-grade students were listed on a plaque presented to Morton by Hessville American Legion Post 232. This plaque has space for future winners. Gary Werskey received the plaque for Morton. Mayor Dowling and Arthur Bradburn, commander of the post, presented the plaque to Morton.

Sectional Woes Hex Governors

One hex broken, another takes its place. This could describe Morton in sectional basketball play. For years MHS drew Clark as its first sectional opponent. Last year that hex was broken when the Governors drew Tech as their first opponent. Morton defeated Tech to qualify for a second game. This game proved to be the beginning of another hex. Griffith downed the Governors in a hard-fought game, 65-59. This year the Governors were once again downed by the Griffith Panthers in sectional play, this time in the first game. The final score was 60-56.

EXCITEMENT AND JOY prevail as a Morton player drives in for a lay-up and two points. The cheering section made a fine showing and displayed good sportsmanship.

JERRY OLLER, the Big Governor, leads the MHS rooters in cheering for the team.

MARILYN SWALICK and Judy Kominak appear worried as time runs out in the sectionals for the Morton Governors.

Broadway Comes to Morton

THE CHARLESTON, a popular dance of the twenties, was one of the numbers presented by the vocal department. Carol Humphrey, David Holmes, Verna Cetzloff, Melvin Lammertin, Sandy Torok, Bob Russell, Carolyn Ware, Walter Johnson, Jerry Farster, Tom Bielby presented their rendition of the famous dance.

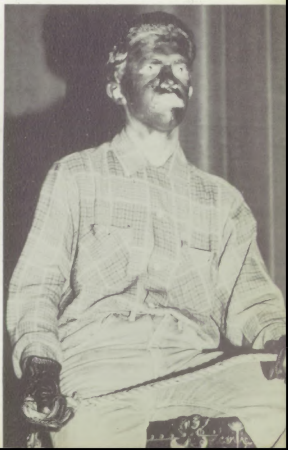

A FORTUNE IN JEWELS is regained during the "Riff Song" by Mabel Carrico, Ed Danko, John Campbell, Tom Bielby, Janet Coult, Linda Thorley, Sandi Tuttle, John Bailor, Joan Salka, Richard Nischan.

On March 17 and 18, Morton's vocal department, under the direction of Miss Barbara Miller, Joe Harrison, and Carole Rosenberger, presented the 1960 Follies. "Where The Song Begins." Choreographers Carole Williams and Carla Carstensen worked diligently to contrive new dance routines for the members.

"Where The Song Begins" was divided into three acts. The first act, called **The Gaieties**, consisted of songs from Vaudeville. Act II was entitled **That Wonderful Year — 1920**. Songs from the twenties were featured in this act. Songs from musical plays composed the third act, **A Night on Broadway**. The grand finale, sung by the entire cast, was "There's No Business Like Show Business."

RICHARD NISCHAN gives his version of "Ol' Man River" from the Broadway hit musical "Showboat."

Auditorium Sessions

A COMBO ENTERTAINED students in a music assembly program. Jim Kackley leads the combo with Bob Morris, Ray Chandos, George Bradburn, and John Sikich providing the music.

A QUINTET CONSISTING of Bob Morris, John Bailor, H. A. Gentry, Lonnie Cotner, and Ted Hupp do their version of "Little Darlin'" during the music assembly.

STUDENTS TRY to burst balloons by cheering during the pep session preceding the sectionals. Marilyn Swallick, Judy Kominiak, Jerry Oller, the Big Governor, Sandy Capalby, and Alice Forsberg lead the cheer.

Offer Varied Programs

AN AUDITORIUM SESSION was presented to observe Brotherhood Week. The Rev. Archie Mackey of the First Christian Church, The Rev. Louis T. Greanis of St. Demetrios Hellenic Orthodox Church, The Rev. Dennis Blaney of Our Lady of Perpetual Help Church, The Rev. A. R. Burns of Mt. Zion Baptist Church, and Dr. Walter Hartman of Purdue University Calumet Center.

"WE MAY HAVE TO OPERATE," says Dr. Petterson to Nurse Soderburg after Mrs. Payne collapsed from exhaustion during the senior-faculty game. Undertaker Williams hopes for the worst.

CAREER DAY WAS PRESENTED for juniors and seniors on March 25. Sergeant Helen Moscicke tells Marlene McMillian and Leslie MacDonald about the opportunities offered to girls in the army.

Play Features Eccentric Lady

John Patrick's "The Curious Savage" was presented as Morton's 1959 fall play. The play involved Mrs. Savage and a series of events occurring at The Cloisters Asylum. Mrs. Savage's children were attempting to find bonds belonging to the Savage family. Her children tried to force Mrs. Savage to reveal the place where the bonds were hidden. Carole Rosenberger was Mrs. Savage and Dennis Doughty, Laraine Evans, and Lee Bishop played her children. Cynthia Kackley, Joel Smolen, Marcia Cook, Joe Harrison, and Joyce Stephens were patients in the asylum. Richard Nischan and Katherine Thompson played the doctor and nurse, respectively.

"I'LL GET THE BOOK for you," says Fanny Mae (Cynthia Kackley) to Jeffrey (Joe Harrison) while Florence (Marcia Cook) and Hannibal (Joel Smolen) prepare to catch the falling book.

SHOCKED because the bonds are missing are Hannibal (Joel Smolen), Miss Wilhelmina (Katherine Thompson), Mrs. Savage (Carole Rosenberger), Dr. Emmett (Richard Nischan), and Titus (Dennis Doughty).

Seniors Display Acting Talents

CHECKING OVER THEIR LINES in preparation for the senior play are Ed Johnston, Richard Nischan, Georjean Pumnea, and Rond Bond.

DISCOVERING JOE PENDLETON (Dennis Doughty) and Hepsey (Georjean Pumnea) eloping, Mary Ainslie (Nancy Feldt) looks on with astonishment.

"I'M ALL A'TWITTER," says Jane Hathaway (Lorraine Evans) to Doctor Patterson (Ed Johnston), Mary Ainslie (Nancy Feldt), and Sophrony Trotter (Barb Horvath).

Moon Shines on Scenic Snowfall

Moonlight Snowfall, Morton's 1960 Winter Formal, proved to be the social highlight of the long winter season. Girls in their prettiest formals and boys in their Sunday best brightened the dismal and cold night. Once inside St. Michael's Hall all were welcomed by a winter paradise of blue and white. For those who desired, pictures were taken as a lasting memory of that wonderful night. Saturday, January 16, 1960, will live long in the memories of many Morton students.

DELICIOUS PUNCH was served at the dance. Seen partaking of the liquid refreshment are Ed Norris, Kay Hemmingway, Florence Klem, and Jim Palmer.

A FEW COUPLES take time out to relax during the intermission.

SMILES WERE PREVALENT everywhere as couples danced dreamily amidst a beautiful wintry scene of flocked Christmas trees.

Prom Leaves Pleasant Memories

DANCING ROUND AND ROUND the formals swayed to the music of Reynold Young's orchestra to close the 1960 Prom. This was the night never to be forgotten.

Crystal Cotillion, the Junior-Senior Prom, was presented on May 20. St. Michael's Hall was decorated in gold and white. Music was supplied by Reynold Young and his orchestra. The After Prom Party was given at Woodmar Country Club.

ENJOYING A WONDERFUL EVENING are those who attended the Crystal Cotillion, the Junior-Senior Prom for 1960.

Seniors Leave to Begin

THE "CLASS OF '60" chose dark brown and beige as senior cord colors. Every year the girls' cords are signed. Bob Bozack, in accordance with this tradition, signs Barbara LaBelle's cords. Jim Repko, Darlene Miller, and Ray Chandos observe the Wednesday Senior Cord Day by wearing the dark brown and beige colors.

As their final year at Morton drew to a close, the seniors were confronted with mixed emotions. Joyful, and perhaps a bit worried, the graduates looked forward to the new life which lay ahead of them. A touch of sorrow for having to leave Morton, however, seemed to dampen the spirits of the members of the "Class of '60." Their four years at Morton, their classes, the Prom, the Senior Banquet were nothing but memories now. These memories will always live in the minds of these graduates as they progress in life. The "Class of '60" left Morton with mixed emotions, but ready to meet the challenges which lay ahead.

ENTERTAINMENT at the senior banquet was supplied by the teachers. Mr. Rasmussen hypnotized Sandy Neal, Bob Morris, and Rich Florence. The three seniors were told that they were being subjected to sub-freezing temperatures! Bill Henderson assisted Mr. Rasmussen.

New Way of Life In World

IN PREPARATION for graduation, Vivian Bylski, Jim Repko, Janet Zawadski, and Tony Anderson try on the caps and gowns.

Seniors' names are called and they march up to receive the symbol of four years of hard work. As each one extends his hand to accept his diploma, he has a sense of sadness mixed with joy. All of the hard work and fun that he has known builds up the everlasting memories that are instilled in his heart.

The help that these students have received from their teachers, fellow students, and counselors guided them on the path that will lead to their future careers.

Their achievements and regrets make up the life of these graduating students who will march out through the doors of the past and into the building called future.

THE BACCALAUREATE CEREMONIES were held in the Hammond Tech auditorium on June 5. The Civic Center was the scene of the graduation exercises on June 9.

Gouvernors

Seniors Venture Forth

Seniors venture forth to encounter the new adventures that lie ahead. They will always remember the excitement of their senior year, especially the last week before graduation. Senior week, introduced by an assembly on Class Day, May 27, included Kindergarten Day, Bermuda Day, Cord Day, and Dress-Up Day.

Seniors will never forget their numerous school acquaintances. Their past life has been a series of room, each containing unforgettable experiences and friends. The year was climaxed Thursday, June 9, as seniors marched forth to receive their diplomas.

**CAMERA-SHY SENIORS**

Louis Evanatz

Darlene Thomas

Seniors are saying good-bye to their high school days; the memories that will always be with them. They will long remember their high school days, especially their senior year. Let's go back to the beginning of that last eventful year.

The Senior Social Season started out with the girls of the class of '60 competing for the title of "Homecoming Queen." The Inaugural Ball which honors the newly elected Association President and his Cabinet members was next, and then came the Winter Formal.

The senior year was made more complete when the senior boys trounced the Will-Bes in the Annual Basketball Game. The Senior Banquet, planned by the Senior Executive Board, was a big success and enjoyed by all who attended. **Lavender and Old Lace**, the senior play, will long be remembered, especially by those who were in the cast. The Prom, followed by the senior parties, ended the Senior Social Whirl. Graduation came all too quickly for most seniors, but all of them are looking forward to the days that lie ahead.

SENIORS ADMIRE the sign which tells of their victory over the Will-Bes.

THE QUEEN AND HER COURT consisted of the following: Barbara LaBelle, Don Kniermen; Alice Forsberg, Ray Chandos; Linda Hart, Ed Johnston; Queen Donna McGinnis, Joe Marshall; Sandy Neal, Bob Morris; June Spear, Jim Repko; Mary Bolen, Jim Boland; Carole Williams, Jim Stivers.

MEASURING FOR CAPS and gowns was an exciting day for the seniors. Maura Duffy anxiously awaits her turn as Marcia Cook is having her cap measurement taken.

ORVEL STEPHENSON stares into the future as he realizes that graduation is here at last.

Juniors Assume Responsibilities

The goals of each of these juniors are being expressed by each term paper, theme, and problem solution.

Each junior continues step by step up the ladder to his goal in life. As he finishes each step, he climbs another.

The efforts, works, and accomplishments of these juniors help boost them up their ladder and help them to become the craftsmen, businessmen, and professional men of tomorrow.

VICE PRESIDENT Royleen Shanta, Secretary Treasurer Mary Cay Matovina, and President Jim Palmer recall the memories of their junior year.

Sophomores Further Ideals

THE SOPHOMORES elected these students to organize their activities: Bill Banas, Vice President; Diane Weedon, Secretary Treasurer; and Terry Collins, President.

During their sophomore year students start to build a foundation for their future life. After adapting to the newness of high school, the sophomores begin to settle down and think seriously, "What am I going to do when I graduate?"

In the sophomore year the teachers begin to stress college, and if sophomores decide to go to college, they start fulfilling the needed requirements.

Students begin to lay the plans for their future in their sophomore year.

Freshmen Establish Goals

These young students, filled with ambition, bring new ideas and plans to our school.

Soon these freshmen find themselves caught in the whirl of high school life—academic efforts, athletics, and social activities.

They are becoming a part of school; and, as each day progresses, they learn why even now they should have a goal in life.

VICE PRESIDENT Don Havill, **Secretary Treasurer** Carolyn Baker, and **President** Ron Royer were chosen to serve as freshman officers.

Administration and Faculty

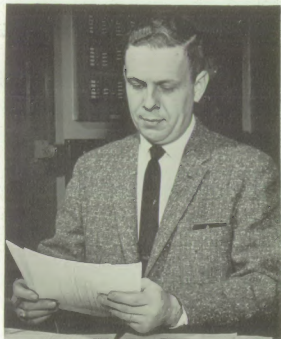

THROUGH THEIR COMBINED EFFORTS, the city school administration and the school board are working to provide the best facilities for the Hammond School System. **TOP ROW:** Mr. D. Cavit, Mr. E. Wiley, Mr. C. Smith, and Mr. C. Schonert; **FRONT ROW:** Dr. H. Eggers, Mrs. M. Allen, Mr. R. B. Miller and Mr. C. Scott.

AFTER THE DEATH of Mr. L. L. Caldwell, Mr. R. B. Miller became acting superintendent. Mr. Miller was selected as superintendent of the Hammond School System in September by the school board.

MR. A. W. CLARK has served Morton for seventeen years as a friend and guide to both students and teachers. Through his idealism he has become the symbol which characterizes the high standards kept at Morton.

FOR NINE YEARS Mr. W. W. Becker has been a familiar figure at Morton, both as a teacher and an assistant principal. Most of Morton's students have become acquainted with him when they have come to seek his aid, or faced him in a disciplinary action. Mr. Becker is always willing to help the student as best he can, and is a friend when they need one.

This year a questionnaire was sent to the teachers asking about their hobbies and interesting travel experiences. When the replies came, it was found that the MHS teachers had many things in common.

Many teachers play bridge, golf, fish, and watch and take part in sporting events. Also many teachers have traveled extensively in North America, Europe, and Asia.

ERNEST ALEXANDER: Business Department Head; Collects cuff links . . . Traveled and lived in Japan.

AILEEN ALLMAN: Librarian; Pastimes are reading and armchair traveling.

DONALD WOOLLS: Business Department; Was in Toledo, Spain, and thought it was like a toy town.

MAUREY ZLOTNIK: Physical Education and Athletics Department; Likes to watch all sporting events.

Office Staff

Although many problems are brought into the office daily, the staff is capable of solving even the most difficult. They keep the office in smooth running order, aid Mr. Clark and Mr. Becker, and help the students and teachers. Mrs. I. Payne, Mrs. L. Carlson, and Mrs. C. Reynolds are looking over an announcement. Mrs. F. Milligan is now a member of the office staff, replacing Mrs. Carlson.

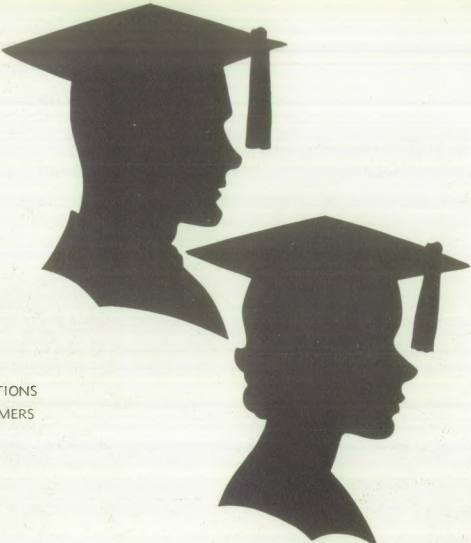

Cafeteria Staff

The cafeteria workers provide well-balanced meals for Mortonites. Properly prepared lunches await hungry students and teachers third, fourth, and fifth* hours. Relaxing for a moment after their work is done are: Mrs. M. Shadoan, Mrs. M. Gretrix, Mrs. L. Carlson, Mrs. M. Constant, and Mrs. C. Marion.

what's
their
future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building

a sound foundation for a future in steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.

Mrs. Lois Qualben Business Advisor
Mr. Julian Rasmussen Photo Advisor

Dear Governor:

The 1960 TOP HAT was the product of one of the best examples of teamwork this school has — the year book staff. One or two people could not possibly have accomplished this book, but our entire staff working together, often around the clock, really "made" the TOP HAT.

Through the efforts of our printer, Emerson DeLaney, who granted us many favors and kindly extended some of our deadlines, we were able to give you such a high quality book.

Mrs. Helen Stock, our adviser, was our proverbial "friend in need" and helped us over many rough spots. It was due to her keen business sense that we were able to add many new features as well as sixteen pages to the 1960 TOP HAT.

Our advertising salesmen sold nearly \$2500 in ads and our homeroom salesmen nearly 800 books that made it possible for an increased budget and a better book.

Members of J. H. Rasmussen's Photo Club attended nearly every social, athletic, and academic event to take many of the pictures for this year's book.

I would like to heartily thank all those I have mentioned and the many other people that helped make the TOP HAT a reality and a success. Through their fine work a book was produced that I hope will remain in the minds of Morton students for many years to come — the 1960 TOP HAT.

Sincerely,
JIM KACKLEY
